

# Introduction of Spooky2 Remote Healing

**Date: 14 Sept 2021**

**Time: 2:00 – 2:30 pm**

**Prepared by : Goldman Au**

## **Agenda:**

1. Technology Background for Remote Work
2. How Remote Healing to our Body (Physical & Mental)
3. How Spooky2 Remote Healing Work
4. Demonstration of Spooky2 Remote

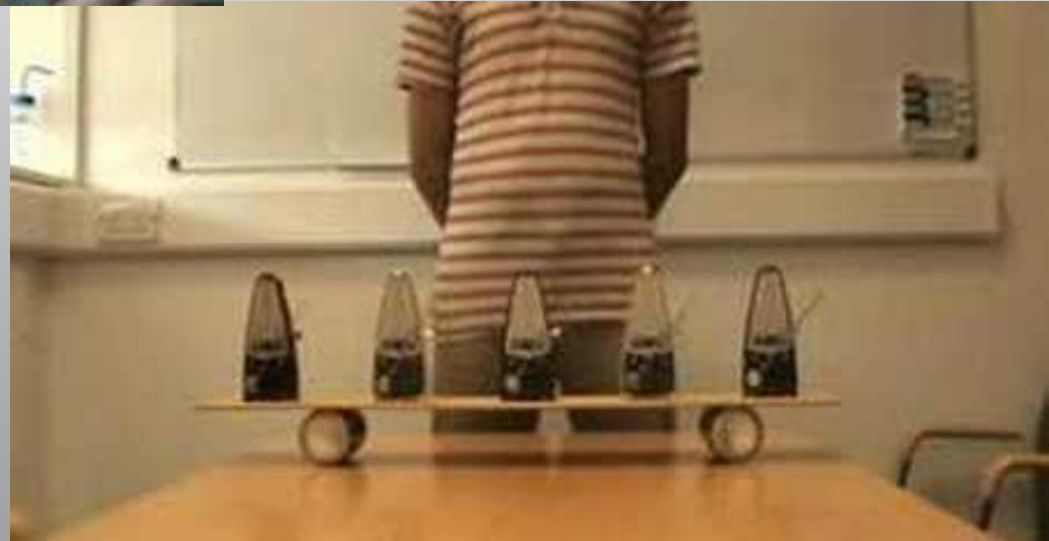

# Experiment on the Power of Resonance

## Resonance Experiment –break glass

## Synchronisation Experiment

# Technology for Remote Healing

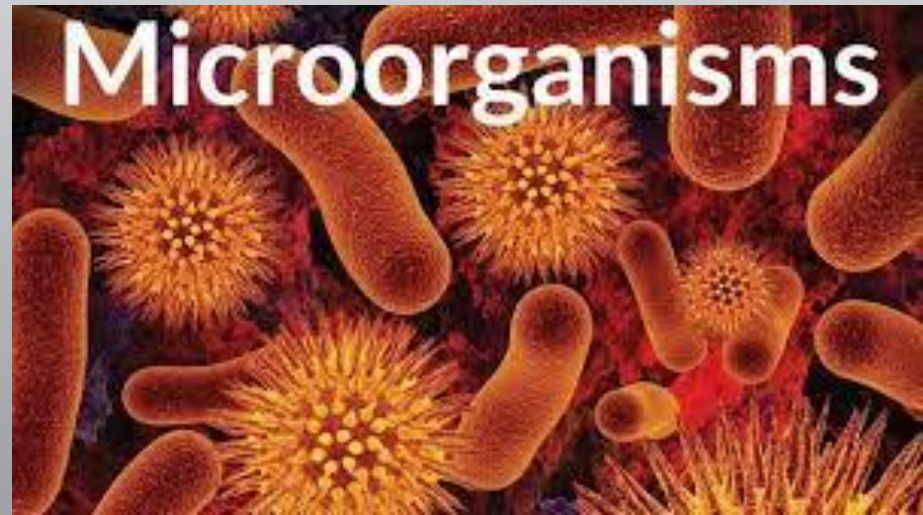

- Synchronization base on Frequency Resonance
- Using entanglement technology to transfer healing power (or called “distance healing”)
- Use Scalar Waves to remote transmission frequency to body for treatment

\* Thank for Quantum Mechanics \*

# How Does Remote Healing Work to Body

- Pathogen (e.g. Fungi, bacteria, virus, parasite, amoeba, mold, etc.) has a unique and specific frequency.
- If you transmit more of this same frequency to the bad microorganism, it causes structural stresses, and the bad pathogen is disabled or simply explodes like the crystal glass.
- Killing these bad organisms can help the natural healing of the body.

# How Does Remote Healing Work to Emotion/Spiritual

- Human Emotion/Mental/Spiritual also has a unique and specific frequency.
- If you are transmitted more of this same frequency, it may tune/improve your mental consciously (even from sub-consciousness or super-consciousness).

# DNA substance for Spooky2 Remote Healing

- Nail
- Saliva
- Buccal Skin Cells
- Blood
- Hair

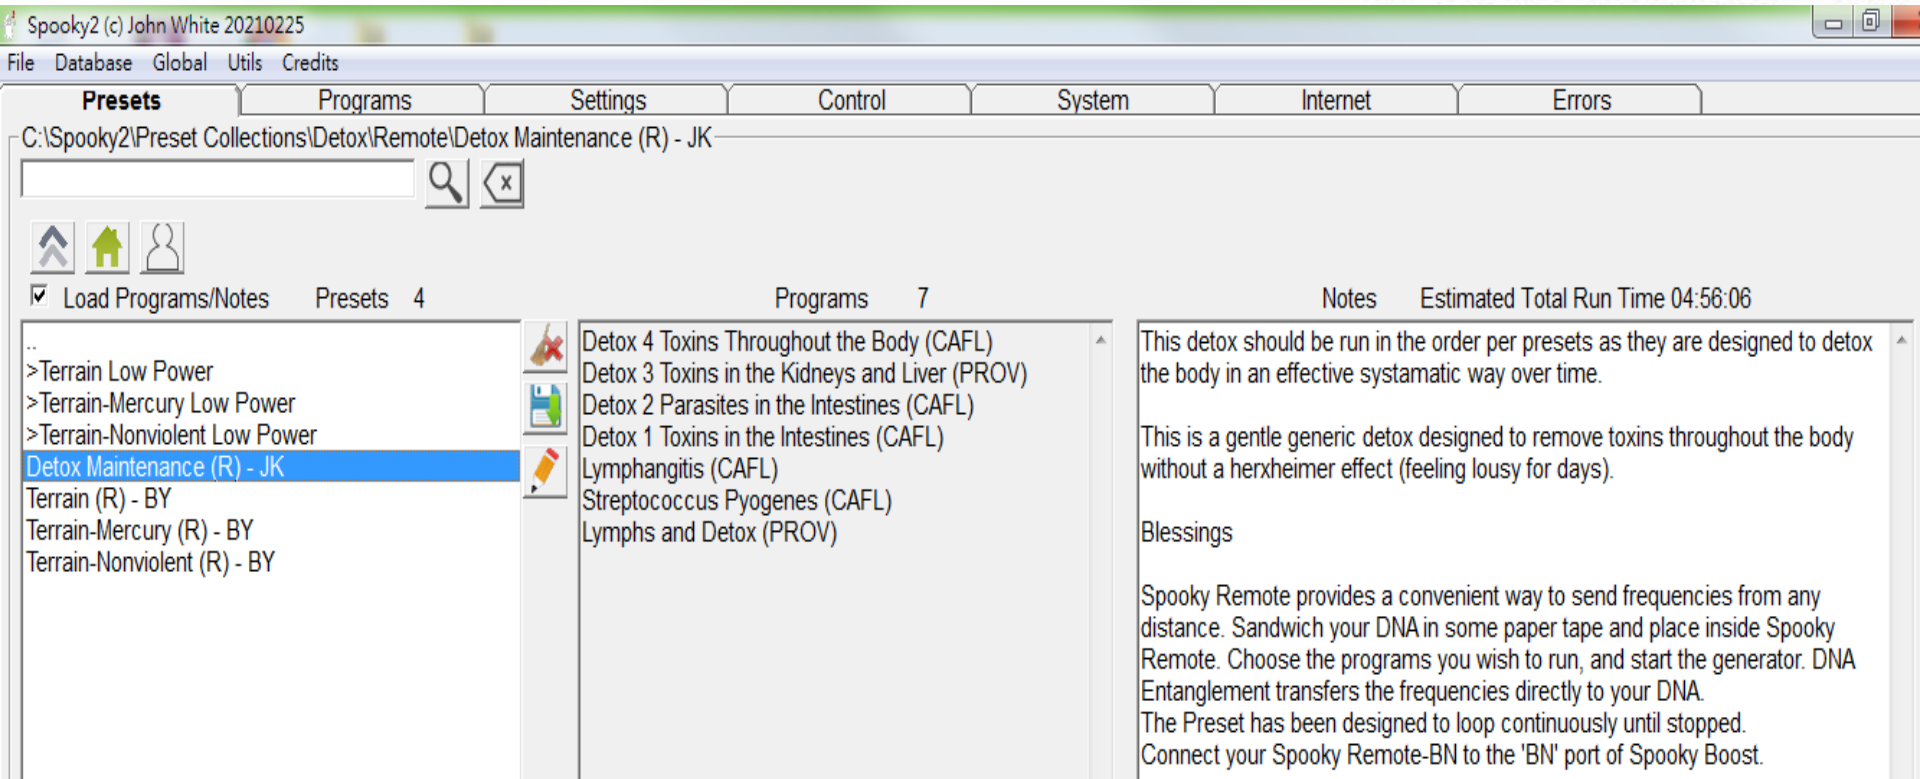

# Caution of using Remote Healing

- Although remote treatment can improve your health, it may not be a replacement of traditional medication.
- If you have any medical query, please consult your doctor.
- As its effect to your body becomes severe or feel bad, you should stop the remote treatment. Take rest for a few hours or days, then maybe try it later again.

# Demonstration to run Detox Program Remotely

The screenshot shows the Spooky2 software interface. The title bar reads "Spooky2 (c) John White 20210225". The menu bar includes "File", "Database", "Global", "Utils", and "Credits". The main window has several tabs: "Presets", "Programs", "Settings", "Control", "System", "Internet", and "Errors". The "Presets" tab is active, showing a file path: "C:\Spooky2\Preset Collections\Detox\Remote\Detox Maintenance (R) - JK". Below the path is a search bar and a list of programs. The "Detox Maintenance (R) - JK" program is selected and highlighted in blue. To the right of the program list, there is a detailed description of the selected program, including instructions on how to run it and a list of programs included in the preset.

This detox should be run in the order per presets as they are designed to detox the body in an effective systematic way over time.

This is a gentle generic detox designed to remove toxins throughout the body without a herxheimer effect (feeling lousy for days).

Spooky Remote provides a convenient way to send frequencies from any distance. Sandwich your DNA in some paper tape and place inside Spooky Remote. Choose the programs you wish to run, and start the generator. DNA Entanglement transfers the frequencies directly to your DNA. The Preset has been designed to loop continuously until stopped. Connect your Spooky Remote-BN to the 'BN' port of Spooky Boost.
